CAR HIRE

Major self-drive car rental firms have offices in all towns, as well as at the Larnaka and Pafos International Airports. Self-drive cars are also known as 'Z cars' because their registration number, which is shown on red plates, often starts with the letter 'Z'. Rates vary according to the category of the car, period of rental, period of the year and extras.

DRIVING ON THE ISLAND

Please note the following for driving on the island:

- Traffic moves on the LEFT hand-side of the road, NOT on the right.
- International road traffic signs are in use, and placed along the roads and highways, on the left hand-side.
- Distances and road speed limits are posted in kilometres and kilometres-per hour (km/h) respectively.
- The maximum speed limit on the motorways is 100 km/h and the lower speed limit is 65 km/h.
- On all other roads the general speed limit is 80 km/h, unless a lower one is indicated.
- In built-up areas, the speed limit is generally 50km/h, unless a different one is indicated.
- The use of seat-belts is compulsory (front and back).
- Children must use the child restraint appropriate for their weight.
- Children can travel in the rear and use an adult belt in a taxi if the right child restraint is not available.

- Due to the intense brightness of the clear Mediterranean sky, drivers are advised to wear sunglasses.
- Driving, or being in charge of a motor vehicle or pedal cycle with alcohol concentration in breath or blood above the prescribed limit, is an offence. The permissible limit in the blood is 50 milligrams of alcohol in 100 millilitres of blood (BAC 0.5mg/ml). The permissible limit in breath is up to 22 micrograms of alcohol in 100 millilitres of exhaled air.
